

Directions to TV Studio in White Plains

The studio is located at 4 Martine Avenue, White Plains, NY 10606, on the southwest corner of South Lexington Avenue and Martine Avenue, diagonally across from the municipal parking lot on the northeast corner of South Lexington Avenue and Martine Avenue.

The phone number at the studio is (914) 422-1419.

The entrance to the studio from the street level is on South Lexington Avenue, and the number 4 does not appear anywhere on the building on the South Lexington Avenue side.

When in White Plains on Martine Avenue, after you pass Grove Street, make a right into the second of two entrances into the large municipal parking garage, *i.e.*, the entrance that is closest to South Lexington Avenue just before you reach South Lexington Avenue. (Or, if you are driving from North to South from North Lexington Avenue across Main Street onto South Lexington Avenue, you can make a left into the large municipal parking garage just before you reach Martine Avenue.)

After you pay for your parking at one of the machines in the parking lot or lobby, walk out of the entrance into which you drove, cross Martine Avenue, cross South Lexington Avenue, turn to your left, walk for 15 yards, turn right and walk up four steps, make a left for 10 yards, go through the glass door that says White Plains Cable Commission to the right of the iron railing, press the buzzer, and walk down the stairs after you have been buzzed in.

Alternatively, you can make a left turn into the parking garage at 4 Martine Avenue, after you cross South Lexington Avenue while on Martine Avenue (or turn right onto Martine Avenue from South Lexington Avenue) and you pass Uno's on your left-hand side. You will be able to have your parking ticket validated so you will then incur no costs for parking. Once in the building, though, you will have to get directions to the TV Studio inside the building from the concierge at the front desk on the ground floor of the building.

If you drive a large automobile, like a Ford Expedition, which is bigger than a minivan, you will have to find alternative parking in the vicinity, so please allow more time to find parking.
